9.1) The comment box provides an opportunity to anonymously communicate any specific impressions (either overall impressions or impressions about particular and specific things) to the instructor. Please feel free to write a lot in the comment box since your feedback is probably the single most important influence on course improvement.

■ I like how I was left alone to complete the assignments. The professor was there for questions when asked, but didn't annoy with reminders and such. I also liked not having to interact with my classmates at all. Doing so online can be more effort than it's worth.

■ I'm very happy, satisfied, and challenged.
