^{5.1)} Your instructor will appreciate any comments you have concerning the course or his/her teaching.

- I was exempt from this class due to being a veteran. I chose to take this class to learn how to navigate the college. The professor has helped me in that regard. As for the rest of his curriculum, its nothing new to me. I learned it the hard way, and I'm glad a course like this is mandatory for first time college kids.
- Mr. Brooks is a great instructor. He is very skilled and professional at his job. He makes the information about the class fun and understandable. He's always willing to help and set things clear for understanding of the class work. If you all want to give a raise out make sure he gets one!
- Mr. Brooks is very self explanatory. He makes the material well thought and easy, he is also very funny as he is explaining the content and gives us examples. I've never stressed over this class because its easy and it's not much much time consuming as my other classes.
