6. Open Response:

6.1) What are the strengths of this course?

- The strengths of this course are in its material, educating its students with useful material.

- The strengths of this course was that all the links and videos necessary for the week were posted at the beginning of the week, leaving students able to complete their assignments in their own time.

- This course helped to prepare for future college success.

6.2) What changes would you recommend that would improve this course?
