### 5. Comments

<sup>5.1)</sup> Your instructor will appreciate any comments you have concerning the course or his/her teaching.

- Dr. Foster is a great instructor and has a lot of interesting stories that relate to the subject matter. However, the presentation of this class is out of sorts and is not very user-friendly on D2L. This is pretty bad since all of our assignments are online and a lot of the time we can't even find them.
- I love the way he does his class. Feels like home then a classroom always very welcoming. He explains everything very well you never really in the dark about anythings he is teaching.
