Comments Report

6. Open Response:

- ^{6.1)} What are the strengths of this course?
- If you are knowledgeable in word, and are able to do online work without assistance this glass is great, however if you are a student whom requires face-to-face learning, I do not recommend this class.
- 6.2) What changes would you recommend that would improve this course?
- longer in class time. 90 minutes, once a week, is not enough face-to-face time to get all the information needed to complete the assignments properly.
- ^{6.3)} Any further, constructive comments?
- Dr.B is a good instructor. I wish he was a little easier to reach beyond school.
