Comments Report

6. Open Response:

- ^{6.1)} What are the strengths of this course?
- Everything, content, assignments, group work, etc.
- The group activities are really fun to participate in.
- This course is very organized and well laid out. Easy to learn
- ^{6.2)} What changes would you recommend that would improve this course?
- Changing the tests to multiple questions instead of open-ended questions would be appreciated. Taking away the achieve assignments by substituting it with a different assignment.
- None (2 Counts)
- ^{6.3)} Any further, constructive comments?
- Best class I have taken here at BC
- She doesn't like to repeat herself and can seem to be passive aggressive.
- The teacher does not do the achieve assignments. When we swap groups, she made the groups take a survey from most important to least helpful and submit to the teacher.
