6. Open Response:

- ^{6.1)} What are the strengths of this course?
- Although this course has a lot of witting, which is sometimes overwhelming since it's not a writing class. By writing you for sure knew the information.
- Being able to apply what we learned in the textbook to actual life events and how it changes us.
- Rather not say.
- Well formatted and very descriptive.
- ^{6.2)} What changes would you recommend that would improve this course?
- I would make the due date time for the assignments more reasonable. He made the due time to be 10:30 pm, I think that is so unfair for people who work. I work at Walgreens pharmacy and do not get off of work until 10:30 pm, and getting off at that time is normal for many workers my age. I found him to be unreasonable and his deadlines are as unreasonable as he is. All of my professors set the due time to be at 11:30 pm or 11:59 pm, THAT is reasonable.
- Less intense standards for grading of papers.
