■ You course was very thorough but was the most work intensive of the five courses I took this semester. All things consider however it was not bad. The tests were easy to study for and all the work was fairly easy to complete. You were the most active professor I had this semester and replied to everything quick and efficiently. There was very good communication on due dates with all work. Overall was a great class.

■ You should have been a little more involved in the classes like a virtual class should have been
