7.4) My current major is:									
Bachelor of Applied Technology (BAT)	33.3%	n=3							
Associate of Arts or Multi-Disciplinary Degree (AA)	0%								
Associate of Arts in Teaching (AAT)	0%								
Associate of Science (AS)	0%								
Associate of Applied Science (AAS) in a technical area	66.7%								
Certificate in a technical area	0%								
<sup>7.5)</sup> I am currently a high school student taking college courses.									
Yes	0%	n=3							
No	100%								

## Comments Report

## 6. Open Response:

- 6.1) What are the strengths of this course?
- Great resources and material
- He really took his time to teach us how the real job experience will be, he gave us real expectation on the job, make sure he was honest as how we were doing. Overall I like this teacher because he take it seriously to make sure we understood what the job will be like instead of teaching just book.
- The instructor made learning very clear
- 6.2) What changes would you recommend that would improve this course?
- Maybe no Monday lecture I think we can all read the book and do more work in PET plant as this has more value and we always seem to not have enough of this.
- More time to improve our physical knowledge in the PET Plant
- n/a
- <sup>6.3)</sup> Any further, constructive comments?
- I like to thank the teacher for pushing us to be better operators and scaring us as this job is dangerous and we need to take it seriously, learnt the most on this class than the entire 2 years.
- More time practicing Skills tests and physical aspects of working in chemical plants. NEED BETTER RADIOS aswell.
- n/a
