5. Comments

^{5.1)} Your instructor will appreciate any comments you have concerning the course or his/her teaching.

- Mrs. Pena and Mrs. Sam, are fantastic educators. They truly have a heart for teaching. They are encouraging and always available for questions and concerns (even when it is not content for their class). These women genuinely care about our education and the students and humans. They are supportive of our outside lives and great cheerleaders in all aspects of our education. Their expectations from us as students are realistic and have made every portion of the class applicable to our future careers. I am excited to have them for classes in the future.
- Ms Sam and Ms Pena are both great instructors and both give us the best learning experience possible and I actually feel like I am learning.
