6. Open Response:

- ^{6.1)} What are the strengths of this course?
- Assignments and material are distributed well throughout the semester.
- Everything!
- Getting hands on experience with skills that we will actually use in the hospital.
- Great study materials for exams and checkoffs. Enough time given for skills practices
- Hands on learning
- It is outlined in a way that is helps you actually grasp the material. I also appreciate that she explains thing that relate to the various life stages we are in and teaches us what is acceptable and not.
- Ms Pena provides a safe learning environment that allows for learning and mistakes. She is great at explaining skills and the reasoning behind each thing we do. She is great at encouraging us.
- The instructor is amazing at teaching this course.
- ^{6.2)} What changes would you recommend that would improve this course?
- Allow us to practice IVs on each other . As long as all of us students agree of course
