Comments Report

5. Comments

^{5.1)} Your instructor will appreciate any comments you have concerning the course or his/her teaching.

- The instructor includes interactive learning assignments that appeal to a variety of learning styles. She gives intellectually stimulating lectures that makes the content come alive. She has brought in excellent guest lecturers who have real life experience in the content being covered. I really appreciate her instruction style and am able to learn and retain the content she presents. She uses technology in the form of videos, powerpoints, and other online resources, presenting them with excellent knowledge of how to use her devices and/or electronic technology tools. She offers immediate, helpful technology support to students who require assistance accessing online tools such as Elsevier, or digital text, etc. I would definitely recommend this instructor to future students.
