- The instructor gave me little information, and he stopped replying to my emails regarding the textbook. I purchased a very expensive access code, and then he didn't use it for the course. When I asked, I was ignored.

8.4) Please add any comments you would like to anonymously share with your instructor.

- BBrooks was an amazing instructor that took the time & put in the energy to make the Course (PSYC1300) enjoyable & useful. DMorgan was the complete opposite! Absolute bare minimum effort put into course (SOC11301). I feel that i learned very little from this course & would NEVER recommend this instructor!
