2. More Than One Instructor:

- ^{2.1} If your course had more than one instructor, in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.
- Dr. Wicker

6. Open Response:

- ^{6.1)} What are the strengths of this course?
- I love the structure of this course. Dr. Wicker provides feedback and responds to emails in a timely manner. I would recommend students to take Dr. Wicker.
- I really appreciate Dr. Wicker's communication style, that he has accompanying audio narration to his online posts. That helps me tremendously with memory retention. He is extremely fair, even generous with grading, which alleviates all the stress I experience during the assignment completion process. The impact of his fairness brings back the enjoyment and thrill of learning, rather than dread and resentment.
- ^{6.2)} What changes would you recommend that would improve this course?
- Lighten up the workload or let us turn in assignments on the weekend because some of us work and have families that take priority of the weekdays.
