2. More Than One Instructor:

2.1) **If your course had more than one instructor,** in the box type the name of the instructor you are assessing. If your course only had one instructor, skip this question.

- Dr. Wade

6. Open Response:

6.1) What are the strengths of this course?

- I gained alot of knowledge and skills about finances and budgeting for a business.

- The information learned from the book will be useful in my degree plan

6.2) What changes would you recommend that would improve this course?

- The professor needs to update his required spreadsheets to match the information in the book.

- none

6.3) Any further, constructive comments?

- Dr. Wade is a great professor. His class is laid out very well.

- I enjoyed this semester.

- This was one of the more challenging courses i have had to take, although i would say that i appreciate the laid back energy that was given when it came to the team assignments. Not making meetings mandatory allowed for us to work at our own pace and not stress over the meetings. We were still able to get our work done and communicate via email and text and that seemed to work perfectly versus the face to face meetings. Thank you!

- When dealing with students it would be helpful if the instructor didn't talk down to them, answered the questions in a timely manner, and used common courtesy. I finally stopped asking questions (and I was not the only one).
