## 6. Open Response:

- <sup>6.1)</sup> What are the strengths of this course?
- N/A
- The learning material are helpful and not too hard to follow.
- 6.2) What changes would you recommend that would improve this course?
- I would recommend more examples for the more difficult assignments.
- I wouldn't make any changes.
- <sup>6.3)</sup> Any further, constructive comments?
- I enjoyed the course.
- I really enjoyed how the instructor responded to all of our discussions, answered emails and he was very compassionate. He would send weekly messages trying to motivate students to succeed. In all the time I have taken BAT classes, he has been the most responsive professor I have had. He seems to really care about students succeeding. Helped me when I was in a dark place and helped me get back in the groove.
