■ Great class just too critical on the timing of the discussions. Discussions due on a Friday, but if you post anything on that day it is a zero. Working full time and a full time mom, sometimes life gets in the way, so my grades on discussion questions were low due to the restricted time limit which I think is too strict. Cannot be on the same day or same time so it should be that you post your reply on Monday, then respond to students Tuesday, Wednesday, and Thursday. Having something due on a certain day and giving a zero if any of the assignment is done on the due date is a little bit extreme in my opinion.
