VI. TITLE IX STATEMENT

Brazosport College faculty and staff are committed to supporting students and upholding the College District's non-discrimination policy. Under Title IX and Brazosport College's policy FFDA (Local), discrimination based on sex, gender, sexual orientation, gender identity, and gender expression is prohibited. If you experience an incident of discrimination, we encourage you to report it. While you may talk to a faculty or staff member at BC, please understand that they are "Responsible Employees" and must report what you tell them to college officials. You can also contact the Title IX Coordinators directly by using the contact information below. Additional information is found on the Sexual Misconduct webpage at www.brazosport.edu/sexualmisconduct

VII. ACADEMIC HONESTY

Brazosport College assumes that students eligible to perform on the college level are familiar with the ordinary rules governing proper conduct including academic honesty. The principle of academic honesty is that all work presented by you is yours alone.

Academic dishonesty including, but not limited to, cheating, plagiarism, and collusion (unauthorized collaboration in preparing/copying any work offered for credit) shall be treated appropriately. Plagiarism is using another resource, author or entity's work or ideas without giving credit for the ideas or material they take from another resource or student. Plagiarism is dishonest because it misrepresents the work of another as your own. This includes both copying the work verbatim or re-phrasing the ideas of another without properly acknowledging the source. When preparing work for course requirements, students must be careful to differentiate between their ideas and language and information derived from other sources. Sources include but are not limited to published and unpublished materials, the Internet and information and opinions gained directly from other people including faculty or other students. Plagiarism is considered a violation of academic integrity and professional honesty.

Academic dishonesty violates both the policies of this course and the Student Code of Conduct. **In this class, any occurrence of academic dishonesty will be referred to the Dean of Student Services for prompt adjudication and may result in forced rewrite or a failing grade for the assignment, a failing grade for the course or other relevant penalties.** Sanctions may be imposed beyond your grade in this course by the Dean of Student Services. Please refer to the Brazosport College Student Guide for more information. This is available online at <http://brazosport.edu/students/for-students/student-services/>.

VIII. ATTENDANCE AND WITHDRAWAL POLICIES

The Instructor may count tardiness as a partial absence. Since a significant part of the grade is based on class attendance, students are expected to be on time and attend the full class, until dismissed by the Instructor.

Students who miss 3 or more classes in a fall or Spring Session will usually be assumed to have abandoned the class and may be withdrawn before the last withdrawal date assigned by the college. After the last withdrawal date, a failing grade of “F” may be assigned for missing 3 or more classes and/or withdrawn from the class by the instructor. It is the Student’s responsibility to contact the Instructor and explain any and all missed class time.

Since attendance is so important a part of the learning experience it has become necessary to modify the grading system. Full Fall and Spring Semesters have typically about 15 weeks of classes depending on holidays and exams schedule. For regular classes that means about 13 weeks of educational activity aside from mid-term and finals. **Someone missing 3 classes then has missed almost 25% of course content.**

Partial class attendance, arriving late or leaving early can result in a % loss of that day’s attendance. For all absences after the 3rd absence each absence will count as 2 classes missed. General Brazosport College Policies and Procedures apply to self-initiated course withdrawal and the time period within which that may occur. Please check with the current published College information for details, especially to determine the last date of withdrawal from a course.

IX. COURSE REQUIREMENTS AND GRADING POLICY

A. Grading:

Mid Term Exam	20%
Final Exam:	20%
Quizzes and/or Homework	20%
Term Project	20%
Attendance and Participation	20%

B. Scoring:

- A (90 - 100%) -- Unqualified and unsurpassed mastery of the learning outcomes.
- B (80 - 89.9%) -- Unqualified mastery of the learning outcomes.
- C (70 - 79.9%) -- Qualified mastery of the learning outcomes.
- D (60 - 69.9%) -- Mastery of the learning outcomes but with significant qualifications.
- F (0 - 59.9%) -- Has not mastered the learning outcomes.
- I (Incomplete) -- Failed to complete assigned components.

Honest and serious participation in each of the five course elements is required to pass the course. The instructor may adjust the course content and grading, if necessary, to meet course objectives. Homework and quizzes are treated equal in grading and for student accountability and responsibility. A failing grade will be assigned regardless of the overall score if the student fails to complete any one of the following items:

- (1) Complete the mid-term exam
- (2) Submit a term paper,
- (3) Complete the final exam.

C. Testing:

A Mid Term and a Final Exam are required. A variety of quizzes or assignments in place of quizzes may be presented at the discretion of the Instructor.

D. Make-Up Policy:

A student will normally be given only one week in which to make up missed quizzes or assignments. Students who miss class delay the ability of other students to received timely feedback on their work. It is the responsibility of each student to contact the Instructor on the day following the absence and to make time to come in before the next class to clear up the missed quiz or assignment. The Instructor is usually expected to give a score of zero to exams, quizzes or assignments and/or apply an appropriate penalty pursuant to the syllabus requirements.

X. STUDENT CONDUCT STATEMENT

Students are expected to be aware of and follow the Brazosport College Student Code of Conduct. Students have violated the Code if they “fail to comply with any lawful directions, verbal or written, of any official at BC.” Lawful directions include precautions and requirements taken to prevent the spread of COVID-19 at Brazosport College. Students who do not follow safety requirements, including the wearing of a mask, may be removed from class by their instructor and referred to the Dean of Student Services.

XI. COVID-19 STATEMENT

At Brazosport College, all of us, including faculty, staff and students, share a common goal this fall semester, to keep our classes running in the safest manner possible and avoid any disruption to your progress in achieving your educational and career goals. To that end, we ask and encourage you to conduct yourself in the following manner while on campus this semester:

- Every day, perform a self-health check prior to coming to campus and stay home if sick.
- To the greatest extent possible, maintain your distance between you and other students, faculty, and staff while on campus.
- Wear a properly fitted face covering over your mouth and nose while indoors on campus. If you do not have a mask, they will be available to you in all classrooms this fall.
- Practice good hygiene, washing your hands regularly and/or using hand sanitizer.
- The most effective way to protect yourself from Covid-19 is through vaccination. The vaccine is readily available and at no cost to you. Vaccine information and availability can be found at <https://brazosport.edu/coronavirus/vaccine/>.

If at any time this semester you begin to experience Covid symptoms, or if you are exposed to someone who has tested positive for Covid-19, please take the following steps:

- Stay home if you're feeling sick and minimize your contact with others.
- Alert the College by completing the Covid-19 Exposure Report Form online at <https://brazosport.edu/coronavirus/report/>. Be sure to provide accurate contact information, including a working phone number that you will answer.

- After submitting the report, you will be promptly contacted by a member of our Rapid Response Team, who will ask you some specific questions about your situation and provide you with guidance moving forward.
- If it is determined that you should not come to class, your instructor will be notified. **Please know that your instructor will consider course adjustments and potential make-up work only if your case has been reported to Brazosport College, and they've been notified by our response team.** Your instructor will work with you to determine how to manage any make-up work.

The Community Health Network (CHN) Clinic at Brazosport College (located in BC Central B-Wing) is scheduled to be open from 8 AM to 6 PM Tuesday through Thursday during the Fall 2021 semester. While walk-ins are available, your visit will be easier if you pre-register by creating an account at www.mychn.org. In addition to providing health and behavioral services, CHN also provides COVID vaccinations and testing. All insurance is accepted, and healthcare is provided on a sliding scale including no cost for those who need it.

Throughout the semester, please regularly check the College's Covid-19 information page at <https://brazosport.edu/coronavirus/>, where the latest updates and guidelines will be posted. As members of the BC community, all of us share a responsibility to each other to be as safe as possible.

Students are expected to fully participate in this course. The following criteria are intended to assist you in being successful in this course:

1. Understand the syllabus requirements
2. Use appropriate time management skills
3. Communicate with the instructor
4. Complete course work on time, and
5. Utilize online components (such as Desire2Learn) as required.
6. Participate in class discussions
7. Show respect for students and instructors

A. Housekeeping:

- 1) Keep the room ready for the next class. When you leave each evening, the room is to be returned to the condition it was in when you arrived, or better.

B. Expectations:

- 1) You are largely responsible for your own success or failure as a student.
- 2) As a minimum, students are expected to read the assigned chapter(s) each week. Being prepared is a necessary part of your continuing education and a vital part of the construction industry.
- 3) We expect all assignments to be completed on time and to the best of your ability.
- 4) While we encourage cooperation with your fellow students, academic honesty is the standard; you are solely responsible ***for submitting your own work and not the work identical to another student (this is “collusion” and a violation of academic honesty)***
- 5) We expect and will demand adult behavior in the classroom, both physical and on-line. We expect to have fun and hope you do too.
- 6) **You are expected to abide by the Student Code of Conduct at all times and come to class prepared and alert. No sunglasses or sleeping in class will be allowed.**
- 7) If there is a problem with the material call upon the instructor first for help.
- 8) There are no bad questions. Always ask if you are unsure.

C. Student Responsibilities:

- 1) This is not a self-paced course but requires weekly interaction with the class and the instructor.
- 2) Assignments such as term papers require a great deal of self-discipline to complete, as much of what is done is at your pace (within the timelines that the instructor has established in the syllabus)
- 3) It is your responsibility to read the syllabus and other information provided by the instructor.
- 4) If you fail to submit assignment(s) or tests on time, the instructor has the option of not accepting the late work or accepting the late work! **If the instructor accepts late work, 20 points per day penalty will apply for any assignment, for a maximum time of 5 days. Additional deductions may apply based on meeting the requirements of the assignment or at the instructor discretion. No assignment will be accepted after 5 days unless the instructor deems special circumstances apply.**
- 5) You should make every effort to stay on track with the assignments, as it is very difficult to “play catch-up.”
- 6) If for any reason you should fall behind in their work, (illness, accident, temporary duty, company “turnaround”, etc.) contact the instructor immediately.
- 7) Any “Instructor Approved” extensions for exams/papers and assignments must be completed on the date assigned by the instructor. The instructor may approve submittals, but they must be made prior to the end of the scheduled term (**FINAL EXAM**). Any extension approved by the instructor and not met by the student may risk being graded zero for that work and run the risk of failure of the course.
- 8) All forms of communication between students and course instructors will be conducted at a professional level. **Profanity, threats of violence, or acts of physical or verbal/argumentative intimidation will not be tolerated. Failure to maintain a professional demeanor during all interactions will result in security being alerted and may result in course failure or academic suspension. There will be no second chances for being disruptive or disrespectful in words or actions during class.**

- 9) Students who are found to have violated any of the behavioral expectations outlined in the syllabus or Brazosport College Student Guide “Code of Student Conduct” will be subject to disciplinary action. Lawful directions include precautions and requirements taken to prevent the spread of COVID-19 at Brazosport College. Students who do not follow safety requirements, including the wearing of a mask, may be removed from class by their instructor and referred to the Dean of Student Services. **Penalties may include referral to the Dean of Student Services for prompt adjudication and may result in dismissal from class, a failing grade for the course, or other relevant penalties.** **There is zero tolerance for academic dishonesty or unprofessional behavior in this course.**
- 10) Brazosport College is committed to the health and safety of all students, staff, and faculty and adheres to all federal and state guidelines. The College intends to stay open for the duration of the semester and provide access to classes and support services on campus in the safest way possible. The College will also comply with lawful orders given by applicable authorities, including the Governor of Texas, up to and including campus closure. It is possible that on campus activities may be moved online and/or postpone if such orders are given.
- 11) At times, life situations occur where you will need to make hard choices between getting a good grade in a course (and even finishing it) and other priorities in your life, such as a job, family, etc. It is up to each student to make those choices. Occasionally, one will have to make the commendable choice that job or family must take priority and then live with the consequences that has on your studies and GPA. The College has an ethical obligation to ensure that a level playing field is provided for all students, so those who make the hard choices don’t get short changed by students who ask for extra time to get their school work done when they haven’t made those hard choices.
- 12) Extensions/Incompletes are **NOT** a right, but a **VERY RARE** exception that are granted only in the most extraordinary of situations. If you feel that you will require an extension/incomplete (again, the exception, not the rule), it is your responsibility to contact the instructor **BEFORE THE END OF THE COURSE** and make this request. In most cases, written third party documentation will be required to support your request. It is at the discretion of the instructor whether an extension/incomplete will be granted and for what length of time, it will be granted, with an absolute maximum extension period of 90 days.

D. Student Computer Responsibilities:

- 1) It is a fact of life that we must use computers to complete class work, access presentations and take some tests. You should have a computer, software, and internet access at hand to do this. If you do not, at best consult with the LAC in E-201. There are numerous campus resources available to you.
- 2) **The default software being used is Microsoft Word for ALL text documents and Microsoft PowerPoint for presentations.** At a minimum, readers for these programs are downloadable free from the www.microsoft.com website.
- 3) “The computer ate my homework” is not an acceptable excuse. It is a fact of life that computers are not perfectly reliable, and those computers using Windows have a certain reputation. Users should learn how to survive and readily recover from crashed programs and the need to reboot.

When creating your own work you should save the document after each page and learn how to recover from computer problems. If worse comes to worse, read the manuals.

- 4) The instructor generally cannot help you solve your computer problems. Exception – problems with SHEM files, in which case the Instructor will help to the best of his/her ability.
- 5) You are responsible for your own SPAM and viruses. No one should use personal computers, email or the Internet for these courses without possessing their own anti-virus software. If you open a strange email and get your computer infected with a virus, it is your own doing and your own responsibility. You should learn how to block unwanted email.

E. Telecommunication Devices:

- 1) All electronic devices, including but not limited to cell phones, “Blackberry” e-mail type devices, and PDA’s **MUST** be turned completely off or placed on vibrate for work-related callouts. All electronic devices must be stored so that they are not visible in the classroom.
- 2) **Smart Watches shall not be accessed at any time for any reason during the class period (clocks are available in the classroom) and the instructor will advise the time for breaks and class dismissal.**
- 3) **CELL PHONES WILL NOT BE ALLOWED TO BE USED AS A CALCULATOR OR FOR ANY OTHER PURPOSE UNLESS APPROVED BY THE INSTRUCTOR!!!!!!** Calculators are for sale in the BC Bookstore to support math problems.
- 4) Cheating via use of telecommunications devices (or any other sources) such as smart watches, cell phones, etc., will result in an immediate ZERO for the test involved and may result in further penalties.
- 5) **Backpacks and other additional non-course materials carried into the classroom must be placed on the floor.**

F. BC Computer Accounts: Each student is expected to go to IT services and obtain a computer account, **BEFORE** the second class of the term. They can be reached at 979-230-3266. You may need to call for an appointment before class for evening classes. Improper use of computer accounts in violation of Brazosport College policies may result in penalties according to College rules. Be aware that **ALL** online activity is monitored and logged; you have **NO** right to privacy.

G. College Website www.brazosport.edu you should learn to use the college website to find most student information. If you need to take computer classes to learn to use the internet or other computer programs please check with LAC in E-201.

H. Classroom Copyright: An implicit copyright of original work not otherwise referenced from others exists for all class materials. Visual or audio recording of class activity is restricted to the College and Instructor. No class material or activity may be recorded or posted on the Internet except by approval of the Instructor.

I. Notes on Schedule: A general sixteen-week recommended schedule follows in this document.

The instructor will adjust it to meet the details of the specific semester schedule, recognizing variances due to Brazosport College exam schedules, State and Federal Holidays and the availability of such items as a guest speaker.
