COURSE DESCRIPTION

An intermediate or advanced online course requiring research and tasks that help students gain practical experience in the chosen discipline, enhance their skills, and integrate knowledge. Indirect supervision is provided by the work supervisor while the online research and tasks are provided by the college faculty or by other individuals under the supervision of the educational institution. Cooperative education is a paid learning experience.CIP 1101010007 (3 SCH, 1 lecture, 20 lab)

PREREQUISITES

See Division Chair.

TEXTBOOK OR COURSE MATERIAL INFORMATION

Will be provided.

LAB REQUIREMENTS

None Applicable.

ATTENDANCE AND WITHDRAWAL POLICIES

A minimum of one hour of weekly participation in the online course is required. The student will be requested to provide a written evaluation of the course at the termination of the semester.

Students who fail to submit their weekly assignments for more than two weeks will be withdrawn from the course.

It is the student's responsibility to withdraw from a course if circumstances occur that could prevent the student from successfully completing that course. Students should notify instructor of decision to withdraw and must not expect nor assume the instructor will complete the paperwork for the student. The instructor will complete required paperwork only if the instructor decides to drop a student for cause. Failure to notify instructor of withdrawal could result in the student failing the course.

Please note that changes in the Texas Education Code state that students enrolling for the first time in a Texas public institution of higher education in the fall of 2007 or after, will not be permitted to withdraw from more than a total of six courses (no minimum number of credit hours on each course) in which the student is officially enrolled during the student's period of undergraduate study at all such institutions (this includes any course a transfer student has dropped at another institution of higher education). See <http://www.brazosport.cc.tx.us/CurStu.html> for more information.

COURSE REQUIREMENTS AND GRADING POLICIES

The student is evaluated by the supervisor and the internship coordinator. The supervisor rates each task assigned for the semester using the following numeric scale:

Numeric Rating	Grade Equivalent	Description
5	A	Outstanding performance
4	B	Above average performance
3	C	Average performance
2	D	Below average performance

In determining the final recommended grade, the supervisor also considers punctuality, attendance, teamwork, communication skills, etc. The internship coordinator then evaluates the student's research and submitted work to determine the final grade, which may be one letter above or below that recommended by the supervisor.

TESTING
